ABOUT US

The Lennard Clinic was founded in June 1984 as a nonprofit opioid treatment provider in the city of Newark, New Jersey.

Since its inception TLC has expanded its opioid treatment programs in Essex and Union counties.

In over 28 years experience, TLC has provided opportunities for thousands of clients to reduce criminal activities, decrease illicit drug use, gain employment, attend school, training, and other productive endeavors.

TLC is a New Jersey licensed facility and is fully accredited by the Commission on Accreditation of Rehabilitation Facilities for opioid treatment programs.

Job opportunities for Licensed and Certified Alcohol and Drug Counselors. Competitive salaries and benefits package.

Equal Opportunity Employer

Dedicated Staff

TLC's highly qualified, dedicated staff includes counselors, case managers, psychologists, ABAM certified medical director, clinic physicians, infectious disease specialists, RN/LPN nurses, and a supporting team of administrative and management staff. Together, these professionals meet the varied, individual needs of each client.
